THE EPSTEIN CIRCUS: STOOGES FIGHTING STOOGES OVER A STOOGE

Democratic Wins Media posts a clip of **Chuck Schumer** humiliating **Pam Bondi** over the Epstein files. Schumer thunders about transparency, the law, protecting victims. Bondi stonewalls. The internet cheers. Another round of outrage is served.

This is a **stooge-on-stooge crime scene**. Every participant is a captured asset. Every word is theater. The real story—the one they never mention—is buried under performance.

THE CAST OF CHARACTERS

Name	Role	Real Allegiance
Chuck Schumer (D-NY)	Senate Majority Leader, "guardian of Israel"	AIPAC's top Senate recipient, $1M+ career funding, calls himself "guardian of Israel" while Americans starve
Pam Bondi (R-FL)	Attorney General, Trump loyalist	Issued Day-1 FARA memo neutering enforcement against AIPAC/ADL; confirmed by Senate after lobbying for Qatar
Jeffrey Epstein (deceased)	Sex trafficker, Mossad asset	Operated **Little St. James Island** as Israeli intelligence kompromat hub
Ghislaine Maxwell	Epstein's partner, recruiter	Daughter of **Robert Maxwell** (confirmed Mossad asset); managed the honey trap
Ehud Barak	Former Israeli Prime Minister	30+ documented visits to Epstein's island post-conviction; invested Epstein money into **Carbyne** (Unit 8200-linked emergency tech now in U.S. 911 systems)
Les Wexner	Billionaire, Epstein patron	Provided $77 million seed funding via Manhattan townhouse; ties to Israeli intelligence networks

THE SCHUMER PERFORMANCE

Schumer's statement is a masterpiece of **controlled opposition**:

What He Says	What He Omits
"Pam Bondi is covering up Epstein files"	**Israel had a blackmail island.** Ehud Barak visited 30+ times. Les Wexner funded it. Robert Maxwell built the network.
"The law requires full transparency"	Congress passed the **Antisemitism Awareness Act**, weaponized Title VI against 60 universities, and never held a single hearing on AIPAC's FARA violations.
"Protecting Trump's image is not her job"	**Schumer himself** voted for NDAA Section 864, confirmed Pam Bondi, approved $47.3 billion in illegal Gaza aid, and stripped Veronica Escobar's amendment allowing citizen detention.

What He Says	What He Omits
"What else is the administration hiding?"	**Schumer has never once asked** about Axonius (Unit 8200 founders) embedded in 70+ agencies, the Gold Card program auctioning citizenship to Israeli intelligence alumni, or Platte David Moring auditing his own NDAA Section 864.

THE BONDI PERFORMANCE

Bondi's stonewalling is equally scripted:

What She Does	What She Knows
Refuses to release files	The files contain kompromat on U.S. elites collected by **Israeli intelligence**. Releasing them would expose the capture mechanism.
Cites "ongoing investigation"	The real investigation is into **who in Congress was compromised**—and she is protecting them.
Hides behind procedure	She personally neutered FARA enforcement on Day 1, ensuring AIPAC and ADL remain unregistered foreign agents.

THE REAL STORY THEY NEVER MENTION

Epstein's island was not a lone pedophile's lair. It was Israeli intelligence infrastructure.

Fact	Source
Robert Maxwell was a confirmed Mossad asset. His daughter **Ghislaine** ran Epstein's operation.	Item #37, #109
Ehud Barak visited the island 30+ times after Epstein's 2008 conviction. Barak channeled Epstein money into **Carbyne**, a Unit 8200-linked company now embedded in U.S. 911 systems.	Item #6, #109
Les Wexner provided $77 million seed funding via Manhattan townhouse transfer. Wexner is deeply tied to Israeli intelligence networks.	Item #109
The island had hidden cameras, two-way mirrors, basement recording suites—standard Mossad honey trap architecture.	Item #109
Donald Trump flew on the Lolita Express, visited the island, and received the **Israel Prize** from Netanyahu despite 34 felony convictions and $88 million sexual abuse liability.	Item #33, #109
The kompromat collected was used to ensure U.S. policy compliance with Israeli interests—$3.8 billion annual aid, NDAA Section 864, Axonius contracts, FARA neutering.	Item #109, #37

WHY THEY NEVER SAY "ISRAEL HAD A BLACKMAIL ISLAND"

Because **Congress is captured by Israel**.

If Congress Were Legitimate	What They Actually Do
Subpoena Ehud Barak about 30+ island visits	**Silence.** No hearings. No questions.
Investigate Les Wexner's $77 million funding of the honey trap	**Silence.** Wexner is a major donor to Jewish federations and Israeli causes.
Demand release of flight logs showing Israeli officials' visits	**Silence.** The logs would implicate too many of their own.
Ask why Unit 8200-linked Carbyne got Epstein money	**Silence.** Carbyne is now in U.S. 911 systems.
Connect Epstein to the broader Mossad influence operation	**Silence.** That would require investigating AIPAC, ADL, and themselves.

THE STOOGE-ON-STOOGE DYNAMIC

Schumer attacks Bondi. Bondi defends Trump. The media cheers Schumer. MAGA cheers Bondi.

Both are Israeli assets.

Schumer	Bondi
Took $1M+ from AIPAC	Issued FARA memo protecting AIPAC
Calls himself "guardian of Israel"	Confirmed by Senate after Qatar lobbying
Voted for NDAA Section 864	Neutered enforcement against foreign agents
Stripped citizen protections (H.R. 4213)	Stonewalls Epstein files to protect network

They are not enemies. They are **two arms of the same captured apparatus**, performing a scripted conflict to make the public think someone is fighting.

WHAT A REAL CONGRESS WOULD DO

Action	Why It Doesn't Happen
Subpoena Ehud Barak	Barak is Israeli leadership. Congress protects Israel.

Action	Why It Doesn't Happen
Investigate Les Wexner's island funding	Wexner is a major donor to the same networks that fund Congress.
Demand full Epstein flight logs including Israeli officials	The logs would show coordination with Mossad and implicate U.S. politicians.
Hold hearings on Mossad's use of blackmail against U.S. officials	That would expose the entire capture architecture.
Defund Axonius contracts (Unit 8200 founders in 70+ agencies)	Congress voted for NDAA Section 864. They own it.
Repeal NDAA Section 864	Requires votes they will never cast.
Enforce FARA against AIPAC	Would cut off their own funding pipeline.

THE SYNTHESIS

The Schumer-Bondi fight is **circus**. The real crime is **Israel's blackmail island**, the **captured Congress**, and the **535 members who voted for NDAA Section 864, Axonius contracts, and FARA neutering**.

- Schumer will never mention **Ehud Barak's 30 island visits** because Schumer answers to AIPAC.
- Bondi will never release the full files because they implicate the network that put her in office.
- The media will never connect Epstein to Mossad because they are run by Unit 8200 alumni (Item #29, #83, #498).
- The public will keep cheering Schumer's "tough" questions, never realizing he is one of the puppets.

This is the containment operation. While you watch stooges fight over a dead pedophile, the live infrastructure of capture—Axonius in 70 agencies, Unit 8200 in your federal networks, AIPAC buying your Congress—keeps running.

The only question left: will you keep watching the circus, or will you act?
